

My Method to Earn Good With Getting High Pr Domain Name if a cheap Price From Fiverr and Flipping It in Flippa or GoDaddy Or Sedo Or Using It for the Personal Use.

Hey Friends This is Only For Digital Points Forum Members To Get a High Pr domains for few dollars. I'm a perfect newbie to the Internet Marketing.

Fiverr:

This is a website where we can get everything for Just 5\$. I saw a beautiful gig that a person is selling for a High Pr domain name for very cheap cost generally 15\$, He asked me to pay in Paypal 10\$ and 5\$ in Fiverr. I thought He will scam me but some how I finally gave whole 15 in paypal as a gift for that domain name. He gave me a beautiful domain name of PR2.

Place where I get Pr1 and Pr2 domain:- www.fiverr.com/domainlord or go to www.fiverr.com search persons selling high pr domain names.

Iwriter Or same Fiverr:

Here we can buy the seo articles for cheap, I mean dirty cheap prices. I ordered for a for 5 articles for 10\$.

www.iwriter.com or www.fiverr.com

Wordpress:

I installed a wordpress on the domain. I got some 6 months free cpanel Hosting or 100% free hosting.
